The background is a monochromatic blue composition. In the center, a glowing globe of the Earth is superimposed over a laptop keyboard. The keyboard is shown from a slightly elevated, angled perspective. To the right and bottom right, there are patterns of binary code (0s and 1s) that appear to be floating or falling, suggesting digital data. The overall aesthetic is clean, modern, and tech-oriented.

Excellent points you've made, John. I got so much information from WSO Domination and it was worth every penny it cost me. I know when my own WSO is ready I will not be making the mistakes you set out as I will follow your plan of action.

Enjoy the journey.

Re: Ban PayPal from Warrior Forum?

I use ClickBank for most of my WSO's and have put over \$100,000 in sales via WSO's through this forum using ClickBank, it can be done.

Also, ClickBank are aware there is a need to provide a service to WSO sellers and are watching so a change could be on the way.

The Funnel is Proven...

Simple Traffic Solutions is geared to teach how to get more traffic using proven traffic methods I use in my business on a daily basis! The low front end price is a no brainer for the information I provide. This will lead nicely into the high converting and directly related upsells. You are going to crush it...

The funnel starts with Simple Traffic Solutions priced at the special price of \$9.95 when the coupon code 'stsmegadiscount' is used. The sale funnel starts with an irresistible offer of my Inner Circle ranging from \$67 to \$97 depending on the package chosen, with increased options and bonuses the higher you go! I am gearing the \$97 in prime position for maximum conversion.

Upsell 2 is my product creation package priced at \$67.

Upsell 3 is my mentoring package which I am currently making irresistible as it's normally priced at \$297. This is going to be something special!

There are also downsells in place ranging from \$7.95 recurring to \$27 single payment option.

This funnel has been proven to convert will generate amazing commissions for you.

As well as the super profitable flow, you are also cookie'd right through the members' area where we offer the same incentives at strategic points to maximize sales. If that is not enough, we also add each option to my autoresponder series to offer the upsells again. I am here to maximize your commissions!

Shelley Penney 🏆 celebrating success.

So it's 3 months since my very first product launch under the tutelage of **John** and **Randy**. I am exactly 10 affiliate sales away from hitting the 500 sale mark on JVZoo just since December 19th when my launch ended. I've deposited a little over \$11,000 CAD in my bank account since in the first quarter of 2016 so far. I am SOOO grateful to P2S - literally changed my life. Husband and I took our first vacation in 6 years last month and it is already paid off and not stuck on a credit card and costing me interest. I feel like John has given me a license to print money! I know it's not 'big time' yet but it's pretty darn big to me, and I want all the new ones to know that P2S is the roadmap to your success. I will be forever thankful the day I stumbled across a product of Randy's who then sold me something of Omar's who sold me on P2S (oh it might have been Omar, then Randy ... but it was something like that!) 😊 Best of all, I feel like I've gathered a tribe of friends, connections and cheerleaders that will be with me for a long time to go! Follow the course step by step ... and you'll make it!

👍❤️ You, Gary Alach, Randy Smith and 37 others

I'm 53 years old, in my 30th year of marriage to the same man, have embarked on a number of careers in my lifetime, and raised 2 wonderful children into adulthood. Now thanks to John, Randy, Simon, and the rest of the P2S crew I can list "financially unencumbered" to my list of life achievements. It's never too late to learn. When you have the right coach and a "never quit" work ethic, the sky is the limit!

I wish everyone a year of prosperity in 2017. Your success raises us all!

The screenshot shows the PayPal account activity page for the year 2016. At the top, the PayPal logo is visible along with navigation tabs for Summary, Money, Activity, and Re. Below the navigation, there are two columns: 'Activity' and 'Activity (including balance & fees)'. Under the 'Activity' column, there is a dropdown menu set to 'USD'. Under the 'Activity (including balance & fees)' column, there is a dropdown menu set to '2016'. In the center of the page, a large box displays 'Payments received' with a value of '\$113,274.84'. At the bottom of the screenshot, it says 'Updated 40 minutes ago'.

It's a brand new year! What will you do this year to make it the best year ever? Here is what is possible if you stay the course with P2S. (my first launch was Dec 2015- so 2016 was my first full year of business after completion of the course)

2016- my first year - earnings were around \$113K USD

2016- my 2nd year- +\$207K USD

My Business model is focused on my own product launches, and strategic partnerships with other product developers- helping them with their launches.

It can be grueling for sure. I hold myself to a strict schedule. I demand accountability both to myself, and to my partners.

But here's the thing.... someone once asked me- "If you only had to work really really hard for 5 years, would you sacrifice now, knowing that you would bring in \$1/2-\$1 million in those years?"

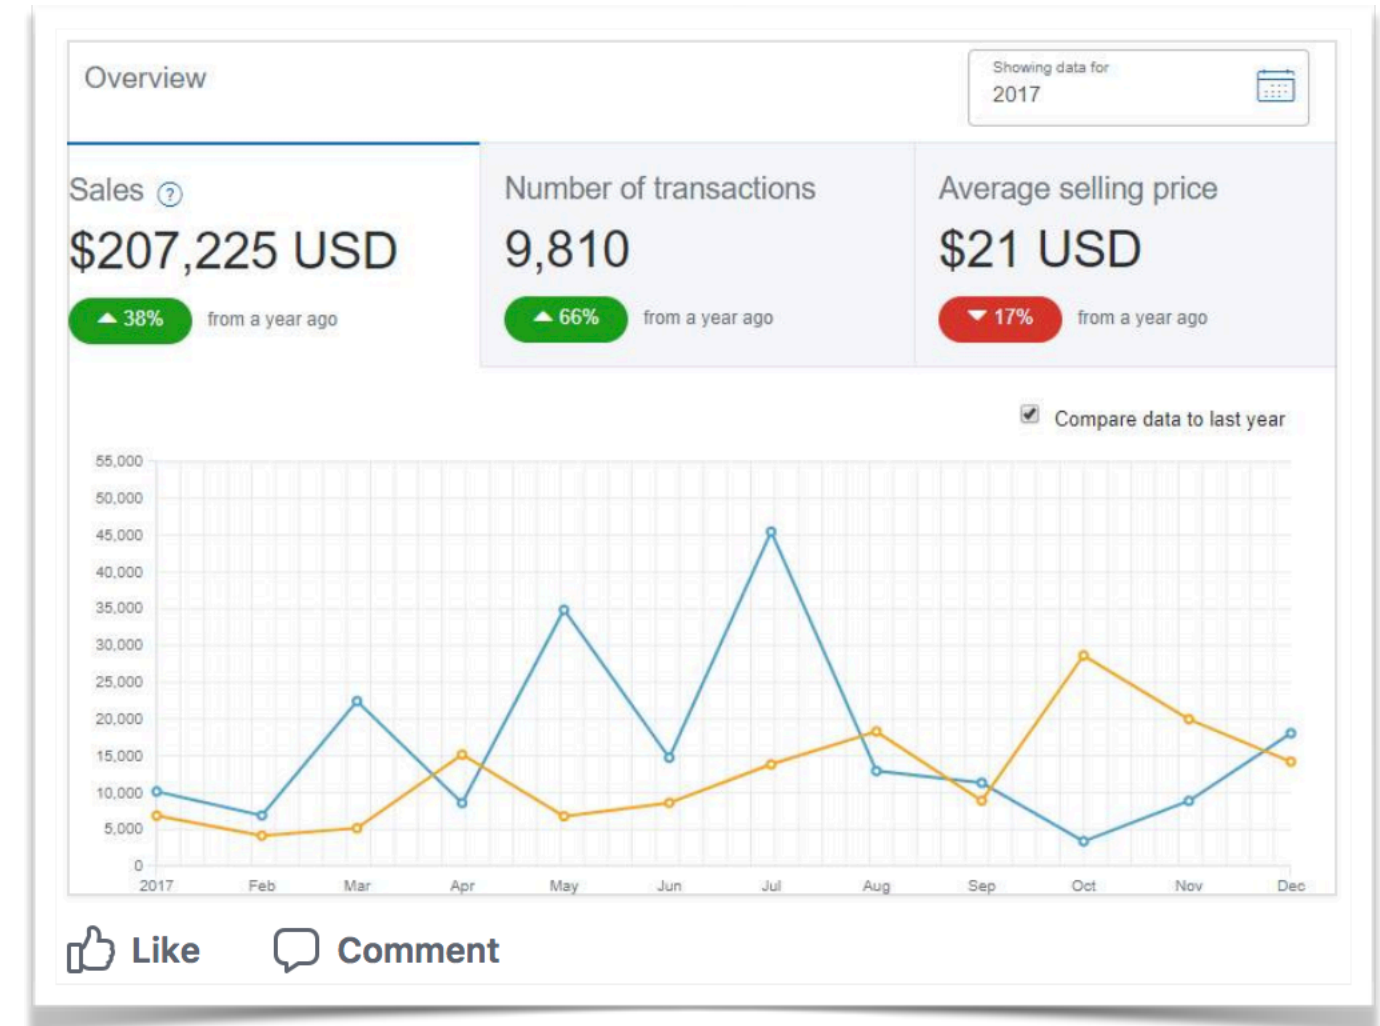

Most people would say yes to that, but at the end of the day, very few people follow through with it. I said yes many years ago... but it took me a while to find the coach who could show me HOW.

So how about it? Would you commit to working really hard, to earn \$1mil in the next 5 years.

That's a question only you can answer. I said yes, and I am on track.

The secret is not in what you do today. The true secret is in what you do EVERY day! What you do every day should include the teachings of P2S. You're here. You have the same information I have.

How bad do you really want it?

Gary Alach with Ben Martin and 55 others.

Who won the cash for the Tube Rank Explosion main affiliate contest?
Hang on, hang on! Wait up!

I'll get to that but first all of the stats that matter for my final update for this awesome launch.

Total Revenue - \$38,000+

EPC - \$13.70

Funnel Conversions - 53%

FE Sales - 1022

Funnel Sales - 1470

Refunds - 1 (for an accidental duplicate payment)

Customer Feedback - 5 stars

The stats of this launch have really blown our minds and conversions have been increasing every single day of this launch.

Lenny, Adam and myself sincerely appreciate all the efforts of every JV that supported this launch and made hugely successful.

The customers are also loving the training with positive feedback flooding in all the time.

Once again, my wife and I are looking at the results rolling in and just can't believe it. I genuinely thought we'd make just a few hundred from this launch since it had to be sort of squeezed into the calendar on awkward dates. How wrong I was.

P2S is the king of coaching programs - no question. Thanks very much from both of us, [John](#). Big thanks also to [Randy](#) for all the tips from the pre-launch inspection.

Thanks also to everyone in P2S for pitching in with reviews/testimonials (been too swamped to put them on the page so far but I will).

If anyone wants to jump on board and partake in those conversions and EPCs, we'd love to have you: <http://lp.warlordmarketing.com/vplr-jv>

Ugh, I need a post-launch 12 hour recovery nap. Gonna set Auto Screen Capture to watch the leaderboard so I see who was where at midnight and hit the hay. Thanks again to everyone for all the support. Currently sitting just a couple sales away from \$15K. The growing conversion rates and EPCs are still mind boggling...

ARE YOU MY NEXT SUCCESS STORY?

THE THING IS WE AREN'T DONE YET

**THE MOST COMMON QUESTION WE GET
ASKED IN THE SUPPORT DESK IS...**

**"JOHN, WHAT CAN I DO TO START GENERATING AN
INCOME WHILE I'M WORKING THROUGH THE
PARTNERSHIP TO SUCCESS PROGRAM?"**

**"FOLLOW THE COURSE AND DO NOT DEVIATE, ONCE YOU
HAVE LAUNCHED A PRODUCT YOU WILL BE ON THE PATH
TO TRUE SUCCESS"**

**THE PROBLEM IS MOST PEOPLE WANT RESULTS TODAY,
AND WHILE THERE IS NOTHING WRONG WITH THAT IT
CAN LEAD TO PROBLEMS**

**SO I WAS FORCED TO FIND
A SOLUTION THAT WORKS ...**

**... WHILE AT THE SAME TIME, STILL
ALLOWING OUR MEMBERS TO FOCUS
ON THE PROGRAM**

**SO I CAME UP WITH THE ULTIMATE
'DONE FOR YOU' SOLUTION**

**A SOLUTION THAT WILL ENABLE YOU
TO START GENERATING SALES
STARTING AS SOON AS TODAY!**
